

Bible Drill Technique

When standing at “Attention” , stand straight with your hands by your side.

Keep eyes on the caller until “Start” is given.

No creepy crawly fingers over the edge of the Bible when standing at “Present Bible” .

When looking up a book or a key passage, before you step forward, place your index finger on the correct book or passage.

Once you step out, don’ t step back. If you have made a mistake, raise your hand until acknowledged.

Treat this program and God’ s Word with integrity:

1. Be respectful when handling His Word.
2. Be honest and only step out if you know the answer.
